Subject: Marketplace Partnerships and Data Analysis – COLCX

As part of our commitment to expanding visibility and commercialization opportunities for projects registered under COLCX, we have established partnerships with renowned international players in the Carbon Market Marketplace and Data Analysis sectors, including MSCI, Allied Offsets, and Clear Blue Markets, among others.

It is important to highlight that the information used by these organizations is strictly limited to what is publicly available on our platform and website, including project location, contributed SDGs, issued credit volumes, associated retirements, and corresponding clients. Furthermore, we guarantee that any information classified as confidential remains fully protected and is not shared with third parties under any circumstances.

Should you have any questions or specific requests regarding these partnerships, please do not hesitate to contact us. We appreciate your trust and collaboration in this process.

Sincerely,

Mario Cuasquen Cadena
